The product you have purchased is part of the Evolve Learning System. Please read the following information thoroughly to get started.

**HOW TO ACCESS YOUR VCE RESOURCES ON EVOLVE**

There are two ways to access your VCE Resources on Evolve:

1. If your instructor has enrolled you into your VCE Evolve Resources you will receive an email with your registration details.

2. If your instructor has asked you to self-enroll into your VCE Evolve Resources they will provide you with your Course ID (for example: 1479_jdoe73_0001). You will then need to follow the instructions at [https://evolve.elsevier.com/cs/studentEnroll.html](https://evolve.elsevier.com/cs/studentEnroll.html).

There are two ways to access the virtual hospital portion of *Virtual Clinical Excursions*: online through the Evolve VCE Resources or via the CD-ROM that accompanies the VCE workbook. Instructions for both are provided below.

**HOW TO ACCESS THE ONLINE VIRTUAL HOSPITAL**

The online virtual hospital is available through the Evolve VCE Resources. There is no software to download or install: the online virtual hospital runs within your internet browser, using a popup window.

**ONLINE: TECHNICAL REQUIREMENTS**

- Broadband connection (DSL or cable)
- 1024 x 768 screen resolution
- Mozilla Firefox 18.0, Internet Explorer 9.0, Google Chrome and Safari 5 or higher
  
  *Note:* Pop-up blocking software/settings must be disabled.
- Adobe Acrobat Reader
- Additional technical requirements can be found at [http://evolvesupport.elsevier.com](http://evolvesupport.elsevier.com).
HOW TO ACCESS THE VIRTUAL HOSPITAL VIA THE CD-ROM

The virtual hospital is available through the CD-ROM located in the back of your print workbook.

CD-ROM: MINIMUM SYSTEM REQUIREMENTS

MAC OS X (up to 10.6)  
Apple Power PC G3 @ 500 MHz or better  
128 MB of RAM (Recommend 256 MB or more)  
800 x 600 screen size (Recommend 1024 x 768)  
Thousands of colors  
12x CD-ROM drive  
Stereo speakers or headphones

CD-ROM: INSTALLATION INSTRUCTIONS

WINDOWS

1. Insert the Virtual Clinical Excursions CD-ROM.  
2. The setup screen should appear automatically if the current product is not already installed. Windows Vista users may be asked to authorize additional security prompts.  
3. Follow the onscreen instructions during the setup process.

   If the setup screen does not appear automatically (and Virtual Clinical Excursions has not been installed already):  
   a. Click the My Computer icon on your desktop or on your Start menu.  
   b. Double-click on your CD-ROM drive.  
   c. If installation does not start at this point:  
      (1) Click the Start icon on the taskbar and select the Run option.  
      (2) Type d:\setup.exe (where “d:\” is your CD-ROM drive) and press OK.  
      (3) Follow the onscreen instructions for installation.

MACINTOSH

1. Insert the Virtual Clinical Excursions CD in the CD-ROM drive. The disk icon will appear on your desktop.  
2. Double-click on the disk icon.  

Note: Virtual Clinical Excursions for Macintosh does not have an installation setup and can only be run directly from the CD.
CD-ROM: HOW TO USE VIRTUAL CLINICAL EXCURSIONS

WINDOWS

1. Double-click on the Virtual Clinical Excursions icon located on your desktop.
2. Or navigate to the program via the Windows Start menu.

Note: If your computer uses Windows Vista, right-click on the desktop shortcut and choose Properties. In the Compatibility Mode, check the box for “Run as Administrator.”

MACINTOSH

1. Insert the Virtual Clinical Excursions CD in the CD-ROM drive. The disk icon will appear on your desktop.
2. Double-click on the disk icon.

HOW TO ACCESS THE WORKBOOK

There are two ways to access the workbook portion of Virtual Clinical Excursions:

1. Print workbook
2. An electronic version of the workbook is available within the VCE Evolve Resources.

TECHNICAL SUPPORT

Technical support for Virtual Clinical Excursions is available by visiting the Technical Support Center at http://evolvesupport.elsevier.com or by calling 1-800-222-9570 inside the United States and Canada.
