EAQ NG: Creating a Mastery Quiz

A Mastery Quiz delivers an unlimited amount of questions to students until they achieve a knowledge level you specify in a topic you choose. It is a study tool that adapts to each student’s individual needs.

1. Click on the link to EAQ within your course.

2. Click the “Create Quiz Assignment” blue button from either the HOME or ASSIGNMENTS screen.

3. The Create Quiz page opens with three quizzing choices. Click the radio button to the left of “Mastery”.

Set an assessment goal for this assignment

- **Mastery**
  
  Unlimited, personalized questions will be presented until students level up in the topic of your choice.

- **Custom**
  
  Choose a finite number of questions in the topic(s) of your choice. These questions will be personalized for students and can help students level up.

- **Custom by questions**
  
  Choose specific questions to include in your quiz. All students will receive the same hand-selected questions which can help students level up in respective topics.
4. Next, click the corresponding radio button to select whether the quiz is to be assigned to “All Students in Course” or “Some Students”.

Select Students

- All Students in Course
  - Any new students added will also get this assignment
- Some students
