1. To create your Evolve Account, first go to [https://evolve.elsevier.com](https://evolve.elsevier.com).

2. In the middle of the page, click on **I'm an Educator**.

3. Click **Sign in** at the top right. If you already have a username and password, you can enter that here. If not, click **Create account**.

4. On the Create an Account page, select **Faculty** and then enter your name, email address, and password. Select where you reside, and then click **Submit**.

   *Note: Please use your institutional email address and use a password that is at least 7 characters long.

5. Your account has now been created. Click **Continue** and you will be taken to your Evolve account where you can see your content list, update your profile information, and search for Instructor resources.
