Managing Your Evolve Account

To manage your Evolve account, including updating your profile information and changing your password, start by signing in.

1. Click Sign in at the upper right, enter your username and password, and then click the Sign in button.

2. Click on Account and then select Account Settings.

3. The Account Settings page will allow you to complete or update your personal and institutional information. After any update to this information, please remember to click the Submit button at the bottom of the page. To change your password, click Change password.

4. On the Change Password screen, enter and confirm your new password, making sure that it is at least 7 characters long, contains at least 1 uppercase and lowercase letter, and at least 1 number. Then click Submit.
